Participant Registration and Tracking Compliance

The funding source requires that information be reported about trainees. WSI will assist sponsors of successful projects with access to the registration process, however workers receiving training will be required to provide a minimum level of personal information that is provided back to the funder in aggregate to report on the success of the program. For grant eligibility purposes, workers will also need to **provide a copy of a government issued photo identification** to the University of Oregon to verify their identity and date of birth. Companies will need to report the following information on workers trained by the grant:

- Employment retention data, for each worker trained, for 2 quarters following the completion of training
- Occupational data for workers trained (i.e., occupation title, employment start date, promotions or advancements after training, wage and wage gains.)

By signing this application your company agrees to comply with the grant's registration, training and employment reporting requirements.

I hereby declare that the information provided herein is accurate, valid and a full disclosure of requested information. I am fully authorized to represent the organization listed above, to act on behalf of it, and to legally bind it in all matters related to this application.
