Greetings CCBA members and supporters,

It has been my pleasure to serve as your Executive Director for the last two and a half years. The melding of the public workforce world and the business alliance has proven a success, I believe! Thank you. Today I am writing to let you know I have accepted a position as Director of Business and Employer Services with the State Employment Department.

The CCBA provides an important voice in the county, one that is respected and valued. I have enjoyed learning from all of you and look forward to watching how the CCBA continues to grow and develop. During the transition I am committed to working with the board of directors and have complete confidence in Amy Oakley, the CCBA Executive Assistant. Amy is a consummate professional who will make sure the business alliance continues to accomplish its great work.

Clackamas County is my home and I will continue to be a strong advocate for business growth and support in this county – we have much to offer.

Thank you.
