Greetings TriMet Board members,

On behalf of the Clackamas County Business Alliance, I am writing to support the Milwaukie light rail to Park Avenue. We know there have been many conversations about the light rail termination, and we support the Board of County Commissioners' pledge to meet their commitment of \$25 million to help fund light rail to Park Avenue.

The Clackamas County Business Alliance (CCBA) is an organization of Clackamas County businesses. We work to promote healthy economic growth throughout the county by advocating for public and private policy decisions that promote job creation. We support the expansion of existing businesses and welcome new companies to the area. Our membership, across nine sectors, employs over 10,000 employees in Clackamas County.

As the business advocacy voice in our county, the board of directors of the CCBA wants to express their commitment to supporting light rail to Park Avenue. If you have any questions please do not hesitate to contact me.

Thank you.

Sincerely,
